

# **Arunachal Pradesh Power Corporation Pvt. Ltd. (APPCPL)**

**It's not just Power, It's Lighting The Dreams!**

From **generation to consumption**

# Why Power Trading is Essential

Electricity is like water, must flow smoothly from where it is generated to where it is needed.

Power trading enables this movement efficiently and reliably across the energy ecosystem.

By balancing supply and demand, it ensures fair pricing and timely delivery of electricity. We support utilities and businesses with intelligent trading strategies that optimize energy flow, improve pricing outcomes, and ensure full regulatory compliance.

# Powering India Forward

APPCPL is a CERC-licensed inter-state power trading company ([License No. 61/2012](#))

We deliver smarter, sustainable, and secure energy solutions across India. Leveraging deep market expertise, we ensure a seamless energy flow for DISCOMs, and open access clients.
